In Memoriam . . .

BIRTH—SEPTEMBER 23, 1936, ZEELAND, MICHIGAN

DEATH—JUNE 5, 1953, ZEELAND, MICHIGAN

. . . . A life arrayed
In youth is over e'er 'twas half begun
God does not ask that we should understand,
Or reason, but He does give faith to pray
"Not our will, Lord, not ours, but Thine be done."

Gertrude Vredeveld.

Dedication

In recognition of his seven years of outstanding service — of his untiring interest in the students and their problems — of his leadership and the Christian principles which he upheld and portrayed — we, the class of 1954, dedicate this FOOTPRINTS to —

Bert P. Bos

DR. BERT P. BOS

School Board

To the Graduates of 1954:

You have reached a very important milestone in your lives. We, as members of the Board of Trustees, extend our heartiest congratulations to you on this happy occasion.

For several years you have formed an integral part of our school system. Through much sacrifice on the part of your parents and by devoted efforts of your instructors, you have been privileged to receive an education based upon God's Word. This is a wonderful blessing, but presents great responsibilities. Remember, to whom the Lord gives much, He will require much in return; and the least He will accept is a life completely surrendered to His service. This will not always be easy, and experience will early teach you that this cannot be done in your own strength. The Psalmist experienced his weaknesses and shortcomings and gives expression to this in his prayer as recorded in Psalm 119, verses 33 and 34: "Teach me, O Lord, the way of thy statutes; and I shall keep it unto the end. Give me understanding, and I shall keep thy law; yea, I shall observe it with my whole heart."

We rejoice greatly with you in your achievement, and it is not without mixed feelings that we bid you farewell. No doubt some will take up work of their choice, while others will strive for further education in schools of higher learning. Regardless of what your future plans may be, your walk in life will be observed by your fellowmen; yea, by God himself. We pray that God will give you grace and courage to be true soldiers of the Cross of Christ and that your lives will be worthy of bearing the name.

The Board of Trustees,
CORNELIUS J. WESTENBROEK, *President*

Dr. Bos

Dear Graduates:

Cordial felicitations upon your graduation from Holland Christian High School. May you be the recipients of our Heavenly Father's choicest blessings in the future.

You have reached another milestone in life. As classmates many of you have now come to a parting of the ways. How pleasant that you could reach this point in life's journey together. What a privilege has been yours! Christian parents, teachers and ministers guided and directed you along life's way and admonished you to follow the Way, the Truth and the Life.

Now that the time for parting has come I will urge you once more to heed the words of the Psalmist, "Commit thy way unto the Lord; trust also in Him; and He shall bring it to pass." (Psalm 37:5). Should you be uncertain as to what this might involve, I would remind you that the Lord has promised, "I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with Mine eye." (Psalm 32:8.)

May the Lord bless you all and truly keep you in His Way.

Cordially yours,
BERT P. BOS, *Superintendent.*

Student Council

The purpose of the Student Council is to maintain Christian discipline, promote student participation and co-operation in all forms of school activities, and to give guidance in citizenship to the students of our school.

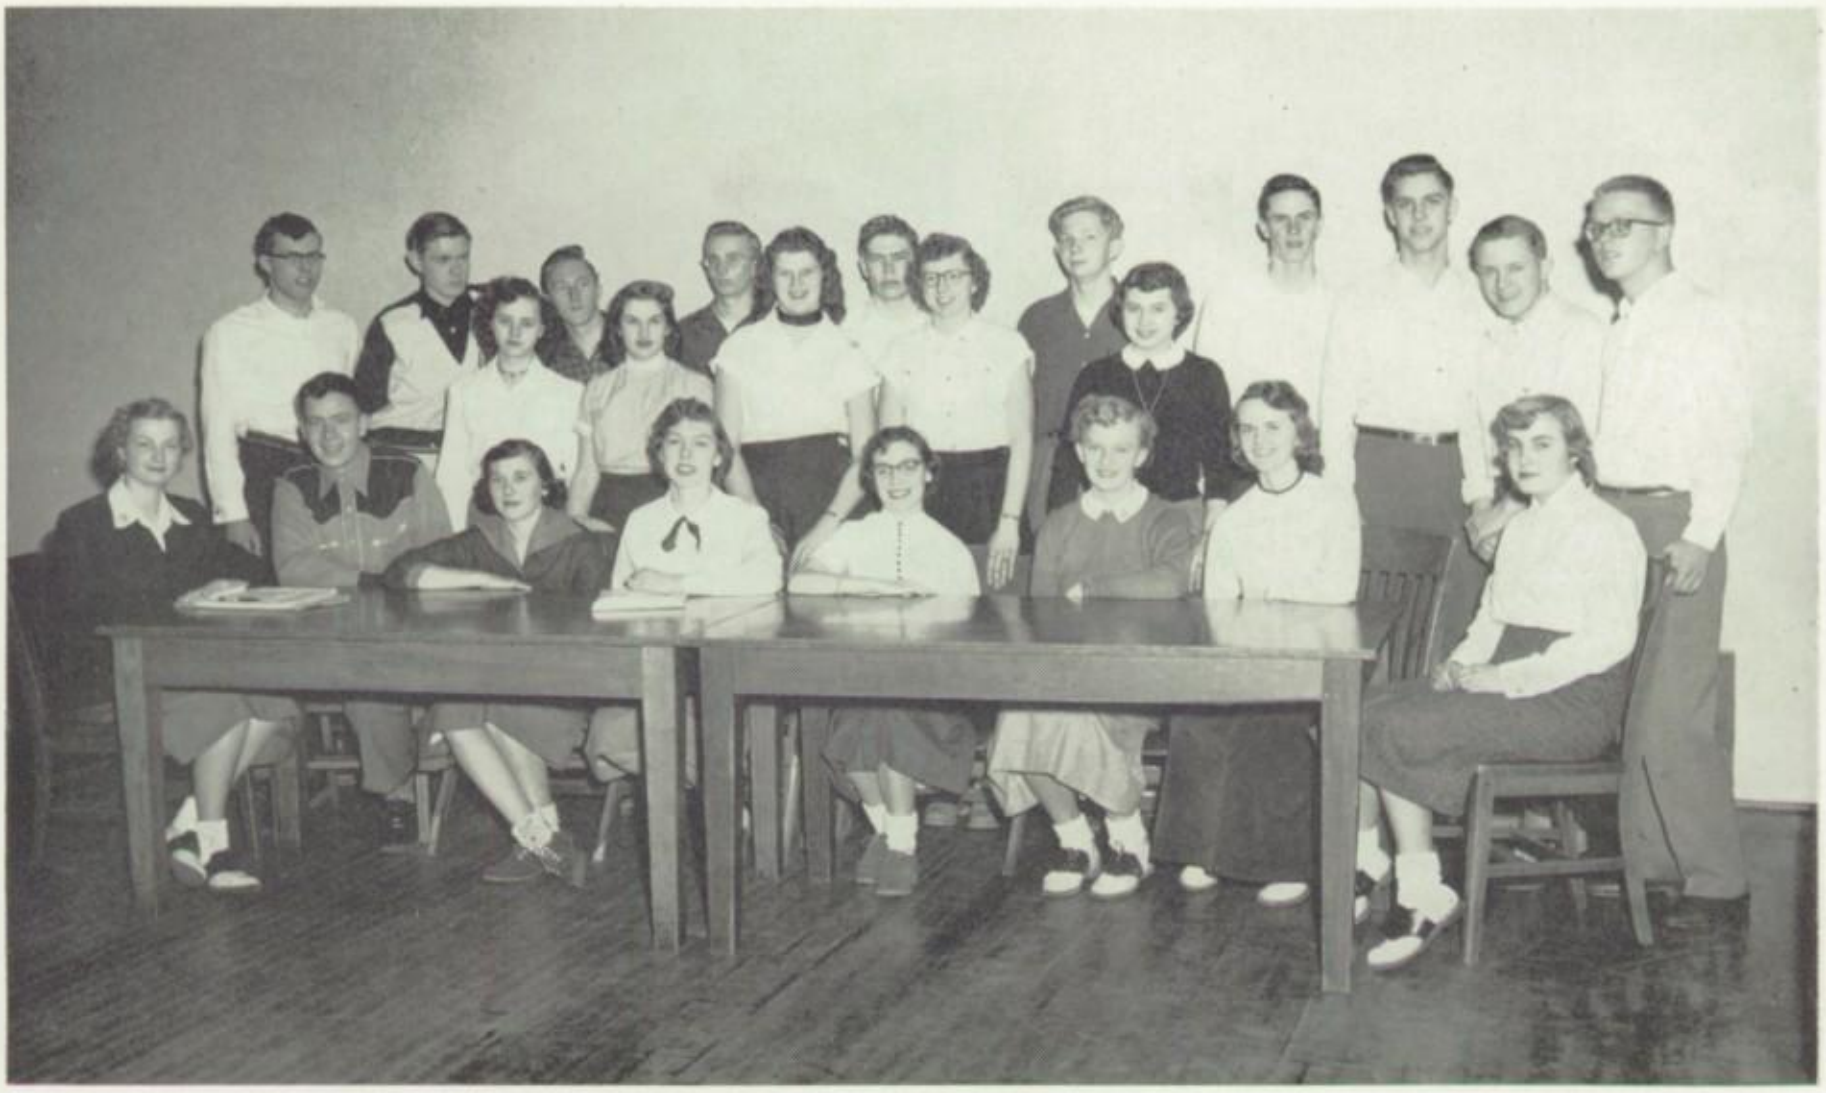
The Student Council consists of four officers and a senator representing each homeroom.

The Council was responsible for many of the activities that happened during the past year. They sponsored the "Mixer," after-game socials, skating parties, assemblies, chapel exchange, financial drives, and a contest to find a suitable name for our school athletic teams and a school song.

Through the Student Council, valuable training in assuming responsibilities of our democracy is received by the students.

The officers were David Vander Ploeg, president; Dick Lenters, vice-president; Marjorie DeVries, treasurer; Ruth Bareman, secretary.

The faculty adviser who devoted time and energy to the success of the Student Council this year was Mr. Holwerda.



Footprint Staff

The Footprints is published annually by the Senior class and last fall Shirley Nonhof was elected by the class to edit the 1954 edition. The various editors were chosen and then the planning began. The activities were photographed and the job of forming a "dummy" got under way.

Under the direction of the sponsors, underclassmen's pictures were scheduled, clubs and societies had their pictures taken. Every year the Footprints is made possible partly by various firms and establishments. This was taken care of by Bill De Roo, who was business manager and headed the advertising staff. All the various editors had others helping them so the deadlines could be met and everything finished on time. And so the Senior class presents the 1954 Footprints.

Senior Class History

On September 7, 1950, one-hundred-thirteen bewildered Freshmen entered the halls of Holland Christian High for their first class in a high-school career.

At our first class meeting we elected Dave Vander Ploeg president. Soon afterwards we elected our student council representatives and came to take our first official stand in the school. With this step upward came confidence and perhaps some "cockiness." But all of a sudden, that never-to-be-forgotten Freshman Initiation was upon us. Oh, how humiliating! In January we had our first class party — a box-social. After exams, things rolled along smoothly and at the end of May we had a class party at Tunnel Park.

With the re-opening of school in September, 1951, we returned bearing the impressive distinction of being Sophomores. The membership of the class had risen to one-hundred-seventy, due to the Zeelanders who joined us. We soon became acquainted with each other and settled down to hard work. During the course of the year we had two class parties, the first, a masquerade, and the second, a party at the Conference Grounds.

At our last class meeting of the year, one of our sponsors, Miss Josephine De Vries, informed us that she was planning to take on the "Honorable career of house-keeping", and we bade her goodbye.

September, 1952, found us in the ranks of upperclassmen. Bill De Roo was elected class president, and almost immediately we ordered our class rings. Our class devised several means of raising money: The weekly sale of barbecues and fudge, selling handmade "tightwads", and billfolds. Oh! Remember how we campaigned for these birthday calendars and babbelaars? Our class party was another informal and merry get-together. The annual Junior-Senior Banquet, a huge success, came with all its hard work and fun.

During exams at the end of our Junior year, Nelson Vander Heuvel was taken from our midst. His cheerful disposition will long be remembered in the hearts of his classmates.

Our Senior year revealed one-hundred-sixteen names on the rolls. We placed the presidency on the shoulders of Albert Roon. During the year, Seniors contributed heavily toward school activities: Band, Choir, clubs, Forensics, and all the sports.

We showed our spirit again by setting a new record in the Christmas Card Campaign. Under the leadership of Marcia Streur we sold $5503.17 worth of cards. The campaign underway, we worked on the Freshman Reception. October 2 was a very exciting and entertaining evening.

In November, we had a hilarious class party, and on January 28, we celebrated our Christmas Card Banquet. This also was destined to become one of our cherished memories.

Now, an important chapter in our life is about to close. As we look back at the time spent here, absorbing Knowledge seasoned with Christian principles, forming and strengthening Christian friendships, and discovering interests and developing talents which we hope will lead to greater service for our Lord, we bid a fond farewell to Alma Mater.

Senior Class Prophecy

Since there was a Republican Convention in New York, Senator William De Roo was spending his leisure time touring the city. He was admiring the tall buildings when someone approached him and, sure enough, it was Carol Vork, secretary to the mayor of the city. While they talked about politics and world affairs, they also reviewed the many occupations of old friends and classmates back in 1954. The following incidents were mentioned:

Elayne Pelon was graduated from Michigan State College and is presently teaching Law at Yale University.

Paul Nykamp has become a famous surgeon in Zeeland. His success is partially due to his capable wife, Joan Kole. They also have two secretaries, Barabara Haak and Wilma Jansen.

Marcia Streur and Mary Vander Hill have completed Nurses Training and are now chief cook and superintendent of nurses on fourth floor in Evanston Hospital.

June Timmer has made great progress as director of the Fennville Philharmonic Symphony Orchestra, composed of John Arendson, playing first violin, Carl Edewaards, piccolo, and Marian Geerlings, bass horn.

Donna Vander Kooi has been appointed counselor of an All-Boys' School at Boys' Town. Lila Michmershuizen is the chief cook.

The Rev. Ronald Van Til and his wife, the former Carla Tinholt are now in Japan doing missionary work.

Dick Lenters has recently been employed by a floral company and is in the Netherlands buying tulips for his boss. Calvin Langejans accompanied him to keep him from getting sea-sick.

John Jellema is the owner of our country's largest firms for making bubble gum. His able and highly sufficient secretary, Janice Staal, samples the gum before it reaches the mouths of the country's small children.

For the past four years, Ron Myrick has held the title of Olympic Turtle-Race champion. He attributes his success to his excellent coaching in grade school.

Herb Wybenga has taken Perry Como's position. He is doing "great", crooning the popular songs.

Herm Guichelaar has become a world renowned scientist and discoverer of a cure for moonburn.

The Music Department of the University of Michigan has employed Thelma Beagle as dril'master for the all-boy marching band.

Ken Scholten married his high school Spanish pen pal and they are touring the United States before making their home in Spain.

Al Roon has taken over his father's grocery business. He is assisted by JoAnn Westenbroek who takes care of his egg route.

Five Plays of
SHAKESPEARE

A Cappella Choir

The Holland Christian High School A Cappella Choir, under the direction of Mr. Baas, was again a great success. The choir spent the first few months of the year preparing for the rendition of the "Messiah" which was presented the auditorium of the Maple Avenue Christian Reformed Church. The next activity prepared for was the District Festival, which was held in Grand Rapids Junior College.

The choir again participated in the Calvin Festival held in Grand Rapids early in the Spring. Another springtime activity was a local concert in which individual talent was also displayed.

The two accompanists for the choir were Shirley Nonhof and LaMae Zwiers. The officers of the choir were president, Ron Van Til; vice-president, Calvin Dykman; secretary-treasurer, Mary Ellen Wolters.

SENIOR SEXTETTE

The Senior Sextette is a group of talened young girls who provide a reverent atmosphere for our chapel services on various occasions. They also render special music for meetings and organizations in and around Holland and have received good ratings in the solo and ensemble contests. The members were: Shirley Nonhof, Lois Kok, Mary Wolters, Loretta Wagenveld, Gayle Mannes, Carla Tinholt, and the accompanist, LaMae Zwiers.

JUNIOR SEXTETTE

The Junior Sextette, composed of Anne Bolemsma, Jacqueline Ortman, Marcia Lamming, Barbara Marcusse, Constance Holkeboer, and Chrislyn Wagenveld, has rendered numbers for chapel and also outside groups. They were under the direction of Mr. Baas and accompanied by Nell Vander Ploeg.

MALE QUARTETTE

The Male Quartette is one of our unique organizations. They have contributed several numbers in chapel and have also rendered their selections of outside entertainment on various occasions. The members of the quartette were Calvin Dykman, Lewis Stegink, Herb Wybenga, Gary Vander Ark, and they were accompanied by Sandra Otte.

CHAPEL ACCOMPANISTS

The Chapel Accompanists are a group of Senior girls who are given the privilege of serving as chapel accompanists for each day of the school week. Much spirit is added to the singing of hymns to our God each morning as a result of their services. The senior girls who have so capably served this year were La Mae Zwiers, Shirley Nonhof, Carla Tinholt, June Timmer, and Lois Kok.

The Concert Band

The Concert Band, under the baton of Mr. Vander Linde, enjoyed an active and successful school year. The band had a great experience performing in Detroit's beautiful Rackham Memorial Auditorium during the convention of the National Union of Christian Schools.

Besides performing at several school assemblies, the band presented a "Winter Musical" in Holland High School auditorium, a polio benefit concert in Hope Chapel, a third annual spring concert, and performed in the District Band and Orchestra Festival.

The band officers were: president, Cal Langejans; secretary, Mary De Weerd; library chairman, Yvonne Tubergan; band manager, Ron Van Til.

Cadet Band

The cadet band completed a successful year of training under the capable direction of Mr. Vander Linde. This band is the final step before the players enter the High School Concert Band. This year the band had a membership of sixty members with a majority of players in the seventh and eighth grades. Thus, the cadet band is really a Junior High School band. The band participated in the Winter Musicale and Spring Concert, the Band and Orchestra Festival, Tulip Time and Memorial Day Parades. The officers of the band were: Merle Dykema, president; Jay Bonselaar, secretary; Delores Weaver, library chairman; Harris Witteveen, band manager.

Junior Choir

The Junior Choir was composed of thirty-nine Freshmen. Much time was spent vocalizing, preparing, and encouraging these students toward participation in the A Cappella Choir in the next year or two. Under the excellent direction of Mr. Baas, the choir has rendered numbers in chapel and assemblies, showing good possibilities in music for the future.

Dramatics Club

The Dramatics Club was open to all Juniors and Seniors interested in dramatics. During the course of the year several plays were given by the members, under the direction of the students themselves. The officers were president, Ron Van Til; vice-president, Dale Topp; secretary, Carla Tinholt; treasurer, Mary Jane De Weerd. The club is greatly indebted to Miss Selles for her enthusiasm and novel ideas.

Future Teachers Club

In the spring of 1954, a group of students interested in teaching met to form an organization for future teachers. With the able assistance of Mr. Keuning and Mr. Kuiper, the Future Teachers' Club was formed. Its purpose is to emphasize the many opportunities for young people with healthy interests, different aptitudes, and various skills. Arrangements were made for college professors, college students, and experienced teachers to address the club. Educational films were also shown. The club, although a new organization, promises to be an outstanding addition to our school organizations. Officers of the club were president, Ron Van Til; vice-president, Albert Roon; secretary, Donna Vander Kooi; and treasurer, Jo Ann Westenbroek.

Sophomore Social Club

A large group of sophomore girls met noon hours for discussions under the sponsorship of Miss Gertrude Vander Gugten. These discussions among the members and sometimes with special speakers were about etiquette and social conduct. The officers of the club were: President, Faith Kok; vice-president; Mary Ellen Wolters; secretary and treasurer, Mildred Vander Zwaag; assistant secretary and treasurer, Phyllis Quist.

Future Nurses' Club

Under the leadership of Miss Sena Grevengoed, the Future Nurses' Club met every month. The activities included rolling bandages, movies on nursing, speakers, and making favors for shut-ins. Also four of the senior members worked as "Pinkies" at the Holland Hospital. The officers of the club were: Mary Vander Hill, president; Lois Kok, vice-president; Barbara Marcusse, secretary; Loretta Wagenveld, treasurer.

Biology Club

The Biology Club consisted of forty-one members from the various biology classes. They met monthly to discuss subjects of biological interest. This past year the club has taken up several different projects which include the purchase of a fully equipped aquarium, experimenting with the diet of rats, and the hatching of eggs. The club also took a trip to Chicago. There is an Executive Committee whose purpose it is to plan the meetings. The officers were president, Gordon Langejans; vice-president, Delores Slenk; secretary-treasurer, Katherine Ham. The Biology Club was under the sponsorship of our biology teacher, Mr. Ham.

Chemistry Club

The Chemistry Club is composed of students of various chemistry classes. The club was under the capable sponsorship of Mr. Elve. The club worked on such projects as the Science Fair and a Periodic Chart of the Atoms. The club endeavors to instruct its members in preparation for the research work many of them plan to enter, and to explore further into the field of chemistry. The officers were president, Gary Vander Ark; vice-president, Russ Walcott; secretary-treasurer, Sheryl Kragt.

Physics Club

A group of eighteen seniors with their instructor, Mr. De Vries, have spent many interesting evenings together. The object of the club was to explore some of the mysteries of science. Some of the projects were working on the transmissions and the differential of a car, the Science Fair, polarized light, and other things of interest. The club took a trip to the Science and Industry Building in Chicago. The officers were president, Herm Guichelaar; vice-president, Lewis Stegink; secretary-treasurer, Rich Sharda.

Photography Club

Again this year a club was formed for Seniors interested in photography. Guiding the club with inspiring zeal was Mr. De Vries. Members met to learn about cameras — how to use them and how they work. Several outside speakers have talked to the club about various phases of photography. Special infra-red flash bulbs and films were used for experimenting. The officers were: President, Bill De Roo; vicar, Edgar Westenbroek; secretary-treasurer, Calvin Hoogstra.

Musical Arts Club

Twice a month the members of the Musical Arts Club met and displayed their interest and talents in music. The programs were varied with instrumental and vocal solos, essays about great composers, discussion and enjoyment of classical and semi-classical records. They also spent much time in working on several projects. Throughout its existence, this organization has become increasingly important in heightening the cultural life of the school. This year Shirley Nonhof served as president, with Sandra Otte as secretary, Barbara Marcusse as treasurer, and Mr. H. J. Kuiper as sponsor.

Chess and Checkers Club

In a setting of ancient history, such that Room 16 can afford, the brokers of pawns, the keepers of castles, the movers of kings and kingdoms, met to play chess. They were a group of fifteen members whose sponsor was Mr. Kuiper. The officers were Calvin Hoogstra, president; Roger Bratt, treasurer. The club usually met during the noon hour.

Forensics

Again this year a group of ten students entered the state forensic contests. Under the direction of Mr. Marinus Pott, the contestants did very well in the competition.

Debate Club

The debate for 1954 was — Resolved, The President of the United States be elected by the direct vote of the people. Many teams debated against our squad and the results were three wins and five defeats. The fellowship and intellectual growth afforded by membership in this organization are well worth the time and effort. Mr. H. Bratt was again the coach and morale booster.

Mission Club

The Mission Club was again sponsored by Miss Veltman this year. The club consisted of twenty members who met during noon hours on Friday. Their aim was to study missions and to take part in the local mission programs. The officers were president, Carol Schreur; vice-president, Ada Bloemendal; secretary, Eileen Boeve; treasurer, Arlene Dreyer.

Sewing Club

The Sewing Club is composed of Junior and Senior girls who meet every Thursday after school. This year the instructor was Mrs. Jack Groenleer, and the officers were Marilyn Johnson, president, Carrie Helder, secretary.

Echo Staff

This year the ECHO, our school paper, has again played an important part in the student activities. Many new features were added to the paper. For the first time in the history of the ECHO, there were co-editors, a junior and a senior; Dale Topp and Marcia Streur, respectively. Mr. C. Pott again was the faculty adviser of the paper. The last issue was dedicated to the seniors.

Christmas Card Campaign

The Senior Class of 1954 has topped all previous records in the Christmas Card Campaign. With Marcia Streur as business manager, and Gladys Garvelink, Lois Kok, Lewis Stegink, and Ed Westenbroek serving as captains, the class sold cards totaling $5503.07 from which the class drew a net profit of $2714.97. Competition was aroused by having home-rooms carry on their separate campaigns. The class officially closed the campaign January 28 with a banquet enjoyed by all.

Senior Play

Gym Club

Miss Gertrude Vander Gugten directed this group which participates in basketball, volleyball, and other gym sports. Its aim was to develop physical education by this extra-curricular activity. They met every Thursday night if the gym was available.

Varsity Basketball

Our Varsity basketball team has had an unusually successful and exciting season, thanks to many hard hours put in by the team and Coach Tuls.

Our reputation of having a fine, loyal cheering section at both home and out-of-town games was boosted by the huge following, even at Owosso, Niles, and of course, East Lansing.

Finishing what was probably one of the roughest seasons ever, with 16 wins and 2 losses, the "Maroons" went on to capture the District, Regional, and State Runners-up trophies. The Maroons met their Waterloo in a thrilling State finals game on the Michigan State College court. River Rouge and time proved to be excellent partners, and after a terrific comeback against a 22 point difference in score, time ran out with the scoreboard showing Holland Christian on the bottom of a 56-53 score. True sportsmanship and determination were characteristic of our team, and all the fans are justly proud of our boys.

The season of '53, '54 truly found Holland Christian a superior outfit, and we are sure this very successful season will be an inspiration to each future team.

Pep Band

Not enough can be said about our pep band which can only be described as "the best." Their presence at all home and several out-of-town games certainly gave added spirit to the fans, and their appearance at assemblies and socials will never be forgotten. To the band and to their director, Mr. Vander Linde, we give hearty congratulations for earning the fine reputation they deserve!

Cheerleaders

Congratulations to all the cheerleaders who have done an excellent job in raising spirit at our basketball games. Varsity cheerleaders were Carmen Steffens, Joey Westenbroek, Sandy Otte, Bob Balfoort, and Rich Rhoda. Reserve cheerleaders were Linda Kaldman, Diane Riermersma, Faith Kok, and Mary Borr.

Athletic Sisters

To the athletic sisters and to their sponsor, Mr. Strabbing go both thanks and congratulations for their aid to the athletic department by the sale of refreshments at the home basketball games. This organization is composed of members of all four classes.

Track

The most recent newcomer to our spring sports scene is track. Although only in its third year at H.C.H.S., it is already forming a major part of our spring sports activities. After a successful season last year, we are looking forward to an even better one this year. Congratulations to coach Elve and his fine squad of boys, and best wishes for the coming season.

Baseball

The baseball team is looking forward to another successful season. Under the capable direction of Mr. Ham, we know that the boys will show fine spirit and true sportsmanship and be able representatives of Christian High in this field.

Tennis

The tennis team, having established a fine record in the past, is anticipating another fine season. To Coach C. Pott and his worthy team, we wish much success.

Class Will

We, the senior class of 1954 of Holland Christian High School, being of sound mind and well trained memory — passing from this sphere of education, do hereby leave this to be our last will and testament:

ARTICLE I

To the faculty we leave nothing since they have at last convinced us that we need everything we have.

ARTICLE II

To the juniors — we leave — that ought to make them feel pretty good.

To the sophomores — a mile of rope to help them pull through the next two years.

To the freshmen — our school spirit and enthusiastic team support.

ARTICLE III

I, Jim Jipping, yield my arguing ability to Ervin Kortering.

I, Jan Staal, will to Bill Vryhoff, my curly locks.

I, Dave Vander Ploeg, leave my ability to talk myself out of trouble to John Mulder.

I, Joella Streur, leave my quiet disposition to Warren Boer.

I, Ken Scholten, leave a few of my inches to Bob Jipping.

I, Janie De Weerd, leave my quiet ways and good behavior to Faith Kok.

I, Ron Nykamp, will my athletic ability to Larry Dykstra.

I, Shirley Nonhof, leave a set of badly shattered nerves to the editor of next year's annual.

I, Dave Vander Leek, will to Jeanie Holwerda my "hearty belly laugh."

I, Marcia Streur, leave to Marilyn Goodyke, my ability to humor Mr. Holwerda.

I, Judy Van Huis, will my way with men to Lois Kragt.

I, Dick Lenters, leave my way with women to Bruce Kuening.

I, John Jellema, leave my quiet and reserved manner to Owen Rottshaffer.

I, Marge De Vries, leave my school spirit to Hugh Slenk.

I, Margaret Vanden Berg, leave my piercing shrieks and giggles to Gord Langejans.

I, Harlan Boerigter, leave my ability to always look innocent to Glenn Woodyk. (As if he needs it!)

I, Carl Edewaards, leave my record of skipping school to anyone who can better it.

I, Marian Geerlings, leave my enormous powers of continuous giggles to Mike Vander Ploeg.
